
LENS SHIELD

For Additional Backlight Control

GENERAL SPECIFICATIONS

DESCRIPTION - The Lens Shield may be specified on many GROUPE RAGNI luminaires to help block backlight and eliminate potential intensity peaks behind pole mounted luminaires. Amount of allowed backlight may be regulated by law to minimize light pollution.

MATERIAL - Lens Shield is molded polycarbonate finished in white or black.

DIMENSIONS - 1.96" x 1.96" (49.9 mm x 49.9mm)

HEIGHT - 0.44" (11.1mm)

MOUNTING - Lens shield is factory mounted via stainless steel screws.

COMPLIANCE - ROHS Compliant.

ORDERING INFORMATION

The Lens Shield is ordered as an option on compatible luminaires.

Locate the ordering information section of your selected luminaire for availability and to order.

Consult factory for availability of custom options or custom ordering information.

Factory assistance is available via phone at 1.720.370.0400 or via email at info@ragni-group.com.
